Father Jim's Message

Have you heard of the need as a Catholic to learn to follow the promptings of the Holy Spirit in your day? Would you like to know what that is and how to get better at it?

What is it? Following the promptings of the Holy Spirit means that I am prayerfully listening to the gentle nudges the Holy Spirit places in my day toward **Action** to do something good that is of God's Will or to **Restraint** to avoid something that is not of God's Will.

I call this *exercising the spiritual muscle* of the Promptings of the Holy Spirit. This is the spiritual muscle that helps me to recognize God's direction for the path of my day and life. It is easy to let this muscle become atrophied. (unused and weakened) Let me give you some tips I find to be helpful in strengthening this most important muscle.

One: I must have a habit of daily prayer. A proper focus for a daily habit of prayer should be on the *time* spent with God; Ideally throughout the day. For example, praying my daily rosary is about committing the time with God contemplating His Divine Plan for salvation, not how perfectly I recite each prayer contained in the holy rosary. If you get distracted in prayer, refocus on the time itself. Think to yourself, "This is time with God, I can refocus on things that are of *His Will* for this amount of time."

Two: Practice Holy Spirit guided **Action** and **Restraint**.

The **Action** means doing good things when I recognize the opportunity for them by the Holy Spirit's prompting. It's like learning to recognize an opportunity served up by the Holy Spirit. Examples: Witnessing about my faith in Jesus Christ, helping someone in need, giving encouraging words of faith to someone who needs them, inviting someone to return to Mass who has drifted away. The **Restraint** means recognizing opportunities to restrain from things that distract us from God or harm us. Examples: consuming any harmful media, gossiping about someone to others, taking joy at the expense of another person, overspending or overusing any material good of this world beyond it's appropriate measure. Both of these practices help strengthen my Spiritual Muscle or *Promptings of the Holy Spirit Muscle!* Practice this everyday! It's not about perfection, its about the exercise itself!

John 14:16

"And I will ask the Father, and He will give you another advocate, to be with you forever. This is the Spirit of Truth, whom the world cannot receive, because it neither sees him nor knows him. You know him, because he abides with you, and he will be in you."

Mary's Garden is having a brick sale starting in October through December. The bricks will be one for \$60 or 2 for \$100. They are a beautiful and affordable memorial for a loved one who has passed or they can also be for all occasions such as a birth, marriage, anniversary etc. Please stop over and gaze at the bricks if you need an idea and the beautiful flowers for our Blessed Mother. If you have any questions, call Karen Benedict at 724 771-0890.

It is typically a very busy week listening and responding to calls to the St. Vincent de Paul helpline from neighbors in need requesting help with rent, utility bills, food, eviction notices, fuel assistance, etc. In September, over \$6,000 was distributed.

Caring for our neighbors in need takes on many forms, not just financial but also providing emotional support. Some callers feel isolated going days without talking to anyone. We meet and call neighbors in need as some are very lonely. It makes them very happy to talk to someone. Please help SVDP to be "there" for our struggling neighbors. With the cost of housing, utility bills, and food soaring, we humbly ask that you consider a gift to SVdP so we can continue our mission. **One hundred percent of your gift will go directly to families in need!**
